HAPPY DAYSare here

IN THE OFFICE AT T.I.S.S.

The Life Skills program was an experimental course coordinated by Life Skills Coaches, Chris Puddicombe and Birgit Neuburger. It was sponsored by a federal grant. The course was designed to benefit those students unable to adjust to the existing educational system. Honestly and openly sharing common individual problems has been the key to the success of the Life Skills Program.

Sheila Rhodes, in the Guidance Office comes to know each student personally and even provides first aid, whenever, necessary.

More than students and staff are needed in order that TISS function effectively. In the library we have three library aides, Mrs. Ruth Taylor (upper left), a Library aide, Mrs. Polly Marhle (upper right), our audio visual aide, and Mrs. Audrey White also a library aide. Mrs. Shirley Jackson, (lower right) works part time, in the main office. All three ladies can be found giving helpful assistance to both the students and staff at TISS.

In the halls, Cafeteria and Library, too

Our fine staff of custodians consists of both a night shift and a day shift. All the custodians except one are male. Mrs. Edna Elliot is the lady who along with the men helps keep TISS maintained and in good repair.

FROM LEFT TO RIGHT: Mr. Gilmer, Mr. Hutt, Mr. Moffitt, Mr. Shields.

The ladies in the cafeteria are also very important to the health and welfare of TISS. Gladys Giffin, Helen Bullridge, Betty Murphy, and Joan Kelso provide all those delicious meals that get us through the many hours of school. Our compliments to the Chefs.

So long Shorty!

On Dec. 15, 1978 T.I.S.S. lost a very dear friend. Shorty Gilberds after 21 years with the Leeds Board of Education retired. Shorty will be dearly missed. His good nature and ability to deal with people made him well loved by both staff and students. Shorty will never forget T.I.S.S. and certainly T.I.S.S. will never forget Shorty. Good bye Shorty! Thanks for everything.

See ya later sweetie!

Shorty and Arlie

ST. LAWRENCE COLLEGE

OFFERS POST-SECONDARY EDUCATION ON YOUR DOORSTEP

Are you interested in helping people regain lost health, or in preventing the occurrence and spread of disease? If so, have you considered a career as a nurse, nursing assistant, child care worker or mental retardation counsellor?

If your future goal is a career in business, or industry have you given thought to becoming an accountant, a retail store manager, an apparel or fashion consultant, a buyer, an executive secretary, or a member of the management team in an industry, bank, chain store or financial institution?

Would you like to work in data processing, personnel, craft and design, historical restoration, advertising, or public relations? Or would you prefer to run your own small business, retail store, or craft shop?

Perhaps your particular interests run more toward technology from which so much national progress has evolved. If so, have you considered becoming part of the engineering team that builds our roads, designs our buildings, or plans manufacturing processes, hydro power installations and complicated electrical systems.

The door to all these career goals, and many more can be opened to you through programs offered at St. Lawrence College.

This page is dedicated in the memory of John Boddeveld who was unexpectedly taken from his family and friends in August of 1978.

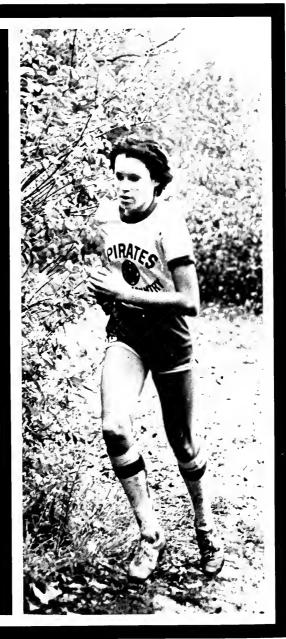

For dreams and hopes
You appeared
To fill our lives
With special moments
All too soon you left
Leaving sadness
and tears
As I look back
We all shared
Were special
We have no need for anguish
Thank God our paths
Did happen to cross.

John will always be remembered. His friendly smile will be forever captured in the memories of all those who knew him.

FOOTBALL'78

The Pirates this year had a very disappointing season with only one win and one tie. However a very young team with over 30 players returning for the next two seasons put up a valiant effort. The coaches are looking forward to a much improved season in next year's schedule. Chris Burns and Shawn Baldwin tied for the MVP award while Roger Storer was named the outstanding Rookie-of-the-Year. The most improved player on this year's team was Todd Harper. Good Luck next year fellas.

BACK ROW: Mike Stevenson, Glenn McKnight, Robin Draganic, Robin Hunter, Theo Brunsting, Clint Meunier, Perry Huibers, Mike Primeau, Willy Primeau, Norm Murphy, Peter VanderWerf.

Seniors

Senior Girls' Volleyball Team had a very successful season this year. The Girls placed first in LGSSA and went on to represent our District at the EOSSA Championships. Pam Moffatt was named the most valuable player of the team.

 $BACK\ ROW,$ Left to Right: Miss Park, Coach; Terry Casselman, Michelle King, Tana MacIntosh.

FRONT ROW: Martha Shields, Julie Bates, Melodie McKnight, Nicolette Van Oyen, Mary Haggerty.

Volleyball

Juniors

This year the girls finished the regular season in second place, one point behind B.C.I. At the LGSSA championships the girls played superbly while defeating South Grenville in the semi-finals. However, in the finals against B.C.I. they were unfortunately defeated three games to one. The team's most valuable player was Sue Trussell.

FRONT ROW: Janet Cross, Sharon Alguire, Darlene Gardiner, Darlene Arthur, Chris Robertson, Sue Trussell, Shannon O'Grady, Donna Kelly.

BACK ROW: J. Carleton, Coach; Shelly Quartus, Paula Petersen, Tammy Reid, Elaine Shaw, Pam Prophet, Wendy Davison.

Boys' Volleyball

Junior

This year's LGSSA champions' accomplishments speak for themselves. '78 - '79 was supposed to be a rebuilding year but the guys made it to the EOSSA finals through a lot of hard work. The team is to be congratulated and so is Mr. Boone for such a great coaching job. This year's MVP as chosen by his teammates was Steve Reynolds and were sure that he would agree with us that this year there were really 13 MVP's on the team.

BACK ROW: Mr. Boone, Stacey Gliatis, David McGlashan, Bill Winslow, Paul Moore, John Horton.
FRONT ROW: John Cooke, Steve Reynolds, Craig Butler, Danny Davis, Geoff Moore, Kevin Roberts.
ABSENT: Dale Clark.

Seniors

This year's Senior Boys' Volleyball team was composed of primarily players new to competitive Volleyball. The returning Senior veterans and the previous year's Juniors gave us a solid core of experienced players; but, we lacked the depth to sustain us throughout the season. The fact that it was a young team this year, however, assures us of strength in future years.

BACK ROW: Randy Gray, Jim Nedow, Tim Ferguson, Fred Gilles. FRONT ROW: James Granton, Rick Davis, Dave Reynolds, Brian Boisvert, Mr. Viola.

Awards: L.G.S.S.A. Girls' Soccer Champions.

This was the first year of the L.G.S.S.A. Girls' Soccer. The league consisted of three schools: TISS, BCVI, and South Grenville. TISS' record was three wins, two ties and no losses. TISS also played two exhibition matches against North Grenville and our girls won both.

Next year the league hopes to expand to five schools and have senior and junior divisions.

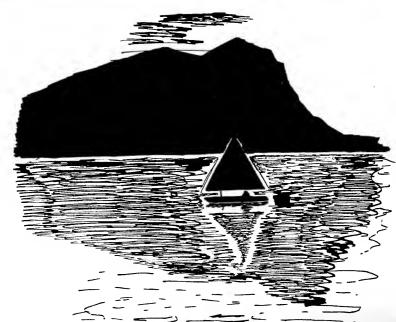

Gymnastics

TISS gymnasts were victorious once more this year. They ended the season as EOSSA champs and Shelley Box ended her season as a silver medalist at OFSAA. The team, coached by Mr. Prophet consisted of: Shelley Box, Renuka Bagal, Shelly Buote, Laurie Chaplin, Peggy Coon, Debbie Guildboard, Kim House, Shannon O'Grady, Kathy Prophet, Pam Prophet, Yvonne Simpson and Debbie Morgan. Congratulations girls!

FRONT ROW: Steve Reynolds, Dave Ellis, Chris Wheeler, Mike Sommerville, Todd Rapp.

Boys' Basketball

Juniors

This year's junior boys' basketball team didn't win any championships but they sure gave it a good try. The captain this year was Gus McDougall. He was also the team's highest scorer as well as being the team's most valuable player. We wish the juniors better luck next year.

BACK ROW: Richard Zahn, Ken Mathers, Gus McDougall, David White, Steve Zahn.
FRONT ROW: Dave Evans, Randy Colpitts, Danny Davis, Paul Moore,

Mike Johnson.

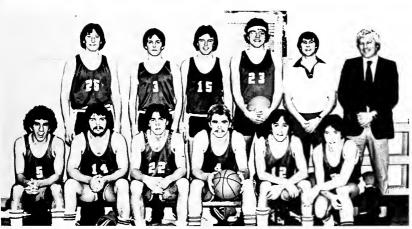

Seniors

The senior basketball team once more enjoyed a very successfull season. All the guys played consistently well throughout the season. The team however was defeated in the LGSSA finals. This year's MVP was Scott Bradley.

STAGE AND LIGHTING

Mr. Steel's stage and lighting crew provided the lighting and sound for all of this year's stage activities. Club members set up and operated the lighting for school dances as well as for Drama Club productions. Some members also provided the lighting for various organizations and activities around town.

FRONT ROW: Joanne McLaughlin, Maureen Warnock, Laurie Holmes, Corinna Soikee, Carol Bradley. BACK ROW: Miss Carleton, Mrs. Kirkland, Mrs. Holmes.

ARTS AND CRAFTS

TISS Arts and Crafts Club met throughout the year to work on various activities. In the fall the group worked on macrame and produced some very interesting plant hangers. At Christmas time the club members busied themselves with a variety of Christmas decorations - stockings and wreaths were favourite projects at this time. Quilting and ceramics finished off the club's activities as they headed into the spring semester. Club members enjoyed learning and practising the many crafts they experienced this year.

T. I. S. S.

STAGE

The stage band very successfully promoted music in the school and the community throughout the year. They performed at area schools and community functions as well as at assemblies here at Thousand Islands. The band was also involved in fund-raising this year in order to buy band uniforms. We thank the band for all the hard work they do to provide us with great music.

BACK ROW: Penny Fulford, Susan Kirkland, Mr. Palmer, Mr. Dillon, Dave Barnard, Tammie McGee.

This year the Drama Club held its third annual One Act Play Festival in the fall of 1978. This year the evening was entitled "Un Poco de Todo" (a little of everything).

Two plays were presented along with a display by the TISS Gymnastics team.

Ms. Angie Yarrow directed "Sociability" with Cathy Carswell, Debbie Grieg, Mark Pike, and Bruce Spanton.

Ms. Earle directed an original production entitled "Tug of War". The cast included Jacquie Jones, James VanBlitterswyk, Shelley Buote, Pam Roe, Chris Schmitt, Judy Skelton, Janet Flikweert, and Brad Pashnicki. Music was composed and performed by Tom Locke. Lighting for that production was done by Leon Vandervalk.

DRAMA CLUB

FESTIVAL PLAY

This year the Drama Festival was an experiment which paid off. TISS capitalized on its talent by writing and choreographing its own entry. The result was the versatile production of "You CAN Eat a Hat, You Know!"

At the Festival held at B.C.I. in March our entry walked away with five of the available nine awards.

Leon Vandervalk, won Outstanding Technical Achievement. Shelley Buote won an Award of Merit.

Judy Skelton won an Outstanding Performance Award.

Janet Flikweert won an Outstanding Performance Award and shared with Director, Diana B. Earle the Adjudicator's Award for the final scripted material.

FRONT ROW, Left to Right: Kathy Prophet, Shelley Buote. BACK ROW: James Van Blitterswyk, Pam Roe, Chris Schmitt, Judy Skelton, Janet Flikweert, Brad Pashnicki.

S.E.S.

The S.E.S. Club which was started to provide a focal point for students interested in the social sciences, had another very active year. Along with their annual visit to a city of historical importance the club also sponsored students who attended several UN seminars. The club's chief source of income this year was the sale of locks in September. Paul Storer served as this year's president.

Don't just stand there, do something!

The Camera Club has been busy all year taking and developing pictures (and locking themselves in the dark room). Its purpose is to allow those students interested in photography to develop their skills. They have accomplished a lot this year including, supplying Yearbook photos, the photo contest, and developing 2,000 photos.

This year T.I.S.S. mathematicians once more proved they are the best. The Junior math contest saw T.I.S.S. place first among the seven Leeds and Grenville schools in competition. T.I.S.S. also had three of it's students place in the top 10% of all contestants in CANADA!

Not to be outdone the T.I.S.S. Senior Math Contest contestants also won top honours in both Brockville and the county.

Throughout the year these students have had regular meetings to discuss math problems, practise for the various contests, and most importantly of all to be able to broaden their mathematical horizons in order to enjoy competition amongst themselves and other students. Mr. Grant, Mr. Dillon, Mrs. Quick, and Mr. McCarthy hope that the students by participating in the contests learned something new and useful.

OUR FRIEND FROM MEXICO

Heather and Armida.

Meeting Armida and hosting her in my home is an experience I shall never forget. It's an unusual feeling to adopt a person from another culture who speaks a different language and thinks in different ways. I realized that ours is not the only way of life in this world. It's frightening, however, to think that I may never see her again. Through the year we have experienced and shared much together. I will miss her very much.

Heather Franklin

P.S. I am invited to her wedding, so Armida and Fredrico - see you in 1984.

I feel that coming to Canada has belped me to realize that there is a whole other world out there. There were times that I wished to be home with my family and friends, but I will never regret coming to Canada. Heather has become a very close friend and introduced me to many new friends and traditions. We fought, laughed and cried but the things I have learned are friendship, and ENGLISH (some bad words too!).

Thanks, T.I.S.S.

Editor's Message

The Yearbook, a year-long committment on the part of its members, has once more come to a happy end. Many people put in many hours to complete it and now the waiting begins to see how good a job they have done. If previous years are anything to go by, it will be a surefire success.

Mrs. Chambers and Mr. Boesveld faced a major problem at the beginning of the year because of the two lunch hour system but they coped as did both the Junior and Senior Clubs.

All in all it was a true team effort and hopefully this is a yearbook worthy of all the work that has gone into its production.

This year has been one of my most hectic at TISS, but it has also been one of my most enjoyable. Being the Yearbook editor was a very enjoyable experience and one I won't soon forget.

We had problems this year just like last but again they all worked out in the end.

Thanks go to all the members of the club for the production of a great book. I would also like to thank Mrs. Chambers and Mr. Boesveld for their help and support throughout the year and for all the extra time they spent on the vearbook.

There were times this past year when I felt I wasn't spending enough time in the yearbook room and other times that I felt that I was in there forever, but it has all been worth it.

A successful yearbook not only depends on the people who put it together, but also on the people who appear on its pages. Thank you, fellow students for some wonderful pictures and thank you, staff members who withstood our constant pestering for information and help.

I will always remember this year and all the things I have learned. I hope you enjoy looking through the book as much as I enjoyed helping to put it together.

Thanks TISS for a wonderful year.

Georgia Gliatis

P.S. I forgot (honestly, I did truly forget) to thank the Camera Club and Mr. Olson for all their help and for their hard work in getting us the pictures we needed on time!

As innocent as a child While he sleeps Is your face As loving and kindly Promises in the light Is your embrace

As warm and understanding A founded paradise Are your eyes Pain from the past Memories in the rain Love cries

So soft and gentle Powdered feathers Is your skin Muscles relaxed, yet tense As flowing rivers with thoughts Held within.

Wavy like the ocean Feathered from the breeze Is your hair Blowing slightly in the wind As runaway dreams in a fire Wanting to share

Strong yet gentle Feeling wild and free Are your hands Touches assuringly As a forever kiss Taking command

T.I.S.S. INVITATIONAL TRACK MEET

Our wonderful crew! Thanks.

Thirteen hundred athletes from Quebec, Ontario, and N.Y. State gathered at TISS in May and it was George Harvey Secondary that came away victorious. TISS finished in 12th place overall after coming up against some of the best high school athletes in Ontario. The Big Mac Mile, a new feature at this year's meet, had a very successful first run and added even more excitement to the day. Thanks must be extended to both staff and students for being such great officials and to Mr. Hungerford and friends for doing such a great job of organizing the meet for the second year in a row.

INUVIK EXCHANGE

Twenty-four students and two teachers enjoyed the experience of a lifetime in March when they travelled to Inuvik for a week of Northern living. The students were hosted by their 'twins' in Inuvik and they in turn hosted their new friends a few weeks later. It was an experience that will never be forgotten. Memories of the exchange will last a long time as will the friendships that were discovered.

TROUBLE-SHOOTING

TISS's Pete Bourret and Steve Wright are this year's Troubleshooting champs. The duo placed first in the annual Chrysler Troubleshooting Contest held in Toronto. The contest consisted of a written test and the troubleshooting segment which requires the team to find and repair defects in a car before driving it over the finish line. A time limit is placed on the team. Nice going guys and thanks Mr. Millson for teaching them everything they know.

BLOOD DONOR CLINIC

SPRING

TISS tried something new this year. Instead of our annual Winter Siesta (the carnival), council decided to have a Spring Fiesta. A variety of events and games were set up and everyone got involved and had mucho fun. The activities scheduled for both lunch hour and after school were very well attended and very successful. The Fiesta's first Senor and Senorita were Derek Arthur and our Mexican friend Armida Cesar. The pair reigned at the talent night and basked in its overwhelming success.

Other activities included Euchre, ping pong and backgammon tournies. The Saturday night dance and Friday night Casino topped off the week of festivities. Congratulations must be given to council for all their hard work and let's hope it becomes an annual event and that it always enjoys the success it did this year. Adios.

On Friday June 8, staff and students met to enjoy a varied and interesting programme at the annual Phase Two Awards Assembly.

Wayne Tompkins, our new director of education, as chairman of the event told the audience that courage should be a main element in their future success.

This year's Achiever of the Year award was presented to Silvia Wiesler.

After all the awards were given out, an interesting slide presentation was made by Mr. Darby and then everyone moved to Mrs. Goodell's shop for a delicious lunch.

COMMENCEMENT

TISS annual commencement was held on Wednesday

evening June 27, 1979.

Mr. Ken Robinson as master of ceremonies directed the evening's presentations. Secondary and honour secondary school graduation diplomas were presented in addition to numerous scholarships and bursaries which were presented to deserving graduates.

The Honourable James A.C. Auld, Minister of natural resources and Minister of Energy for the province of Ontario was the guest speaker. Mr. Auld challenged the graduates to work at improving the problem areas created by previous generations. He pointed out that constructive criticism of present conditions must include the desire and the determination to change those conditions.

This year's valedictory address was delivered by Dave Reynolds. He asked the audience to remember that the graduates held, in their hearts, awards of thanks to the staff members at TISS who helped to bring them to this their

graduation evening.

After the formal part of the evening graduates, their families and special guests gathered in the cafeteria for refreshments.

for Council

This year's council, headed by Mary Jean Hudson and Steve Clark, had a very busy and successful year. Whether it was the blood donor clinic or the council awards or the elections or the dances or the Fiesta, planning was the key to success. Most of this year's dances were council sponsored and all featured excellent bands. The blood donor clinic was TISS' 2nd annual and it too was tremendously successful, as were both the Athletic Awards banquet and the Council Awards assembly. This year's council will long be remembered as the one that instituted the Spring Fiesta as part of the school year. The Fiesta was a lot of fun and very successful. It will no doubt become a TISS tradition. Thanks must be extended to all the members of council for making this a very enjoyable and exciting year.
